MARCIA GÁLVEZ
QA Lead
---
10 years of hands-on work with Regression Testing and Test Planning, most recently as QA Lead. Looking for a role with ownership and room to grow.

WHERE I HAVE WORKED
QA Lead at Bluepeak Systems (2023 - Present)
Wrote automated test suites for web and API layers (Test Automation, TestRail). Reported, reproduced and tracked defects together with developers.

Senior QA Automation Engineer at Hollowell Foods (2021 - 2023)
Wrote automated test suites for web and API layers. Reduced manual regression effort by 10% through automation (Regression Testing, Test Planning). Reported, reproduced and tracked defects together with developers (Test Automation, Test Planning).

QA Engineer at Solstice Energy Labs (2018 - 2021)
Wrote automated test suites for web and API layers. Reported, reproduced and tracked defects together with developers (TestRail, Java). Designed test plans and test cases for 2 product areas.

Junior QA Tester at Ironbark Logistics (2016 - 2018)
Wrote automated test suites for web and API layers (Test Planning, Agile). Designed test plans and test cases for 5 product areas. Reduced manual regression effort by 45% through automation (Cucumber, Postman). Reported, reproduced and tracked defects together with developers.
