Ingetraut Gnatz

Data Scientist

Contact

ingetraut.gnatz@example.com
+1-646-555-0135
Paris, France

Core Competencies

- Machine Learning
- PyTorch
- A/B Testing
- NLP
- Airflow
- SQL
- Statistics
- TensorFlow
- Java

Academic Background

M.Sc. Computer Science
Saint Albrecht University, 2021
B.Sc. Applied Mathematics
Solvang Polytechnic, 2019

Language Skills

English (native), French (C1)

Certifications

Machine Learning Specialization

Summary

3 years of hands-on work with Machine Learning and NLP, most recently as Data Scientist. Comfortable working in cross-functional agile teams.

Work Experience

Data Scientist, Northgate Devices
2025 - Present

- Improved model precision by 30% through feature work and error analysis
- Designed and analysed 3 online experiments
- Trained and evaluated models for a ranking problem
- Built data pipelines and notebooks used by 8 analysts (A/B Testing, TensorFlow)

Data Scientist, Corvid Logic
2024 - 2025

- Built data pipelines and notebooks used by 8 analysts (Airflow, Machine Learning)
- Improved model precision by 30% through feature work and error analysis (Machine Learning, Statistics)

Junior Data Scientist, Oakhaven Analytics
2022 - 2024

- Presented findings to non-technical stakeholders and turned them into roadmap items (A/B Testing, TensorFlow)
- Built data pipelines and notebooks used by 7 analysts (PyTorch, Machine Learning)
- Improved model precision by 40% through feature work and error analysis (TensorFlow, Statistics)
- Trained and evaluated models for a ranking problem
